Information for non-EU students with residency abroad who wish to enrol in the DATA SCIENCE MASTER at the University of Naples Federico II

To enter Italy, non-EU students shall apply for an **entry visa for study purposes**. The pre -enrolment procedure is a mandatory process to admission of degree programs. It is for non-EU students with residency abroad who wish to enrol in a degree program at the University of Naples Federico II.

Do you need an entry visa?

Before the matriculation, you must pre-enrol online via the Universitaly portal.
(https://www.universitaly.it/index.php/students/stranieri).

The whole procedure (pre-admission and submission of the application through the Universitaly portal) MUST BE COMPLETED before June 15 2026. After this date no more applications will be accepted for evaluation.

PART 1- Registration

1. Register on the UNIVERSITALY portal.
2. Wait for an email from universitaly@cineca.it to the email you provided at registration phase: you'll be asked to finalize your registration inserting a password of your choice.
3. Complete your registration inserting a password.
4. Wait for a new email from universitaly@cineca.it that confirms your registration has been successful.
5. On UNIVERSITALY's homepage, click on the window INTERNATIONAL STUDENTS + PRE-ENROL NOW and start the pre-enrolment process.

PART 2 – Pre-enrolment

This second part of the process is subdivided in 3 steps
:

STEP A: **Completion of personal data**
Insert your personal data, home address, and personal contacts. Please indicate your data
exactly as appears on your passport;

Italian tax code field can be left empty in pre-enrolment procedure. However, it is required
to matriculate to the University of Naples Federico II. Before matriculation, do not forget to
obtain tax code from Agenzia della Entrate or from an Italian embassy.

STEP B: Completion of the details of:
- the Embassy or Consulate in which you will submit the study visa request,
- the academic course you have been admitted on;

STEP C: Upload of the academic documents required.
Upload your academic qualifications on the portal.

Please upload:
- Transcript of Records (ToR) with a detailed description of the courses attended and
  the exams passed to obtain the final degree. The transcript must also include the
  final score of the bachelor/master.
- Final degree certificate;
- Additional qualifications (short CV (max 2 pages), motivation letter, letter/s of
  recommendation…);
- DoV or Cimea statement of comparability
- B2 (or higher) certificate of English knowledge
- Pre-acceptance letter issued from the Coordinator of the Course

After clicking on SUMMARY, verify that your pre-enrolment application is complete and proceed with SUBMIT.

The pre-enrolment application will be verified by the University of Naples and forwarded to the Embassy / Consulate you have specified.

Important:

- pre-enrolment alone does not grant admission to degree programmes. In order to matriculate you also need to take and pass the verifications of the entry requirements and the admission procedures set for the degree programme of your interest.
- (for 2-year MSc applicants only). It is warmly recommended to obtain the aforementioned pre-acceptance letter before you start the pre-enrolment procedure.

PART 3 – Matriculation

After having successfully passed the verification of the entry requirements and/or admission test (where required), you will matriculate at the student office of your Department.
